**The first virtual edition of WETEX and Dubai Solar Show 2020**

Warm Greetings from Dubai Electricity and Water Authority (DEWA). I would like to extend you this invitation to attend the 22nd Water, Energy Technology & Environment Exhibition (WETEX 2020) and the 5th Dubai Solar Show which are organised annually in adherence with the directives of His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai, and under the patronage of His Highness Sheikh Hamdan bin Rashid Al Maktoum, Deputy Ruler of Dubai, Minister of Finance and President of Dubai Electricity and Water Authority (DEWA). The two exhibitions will be held virtually for the very first time on 26-28 October 2020.

During these two 3D exhibitions, the first of their kind in the Middle East and North Africa region, DEWA will provide a live ecosystem in which visitors and exhibitors feel the real experience of visiting the platforms and participating in workshops, meetings and seminars, based on the latest smart technologies in this field, in addition to voice or video communication technology.

Furthermore, DEWA provides a platform for participating exhibitors to display brochures, information, presentations and video clips, enabling them to display their products in an innovative way that caters for their needs.

In addition to that, DEWA allows avatar for exhibitors in each virtual platform for instant chatting with visitors, who can connect with experts through the free B2B Business Meetup service.

WETEX 2020 and Dubai Solar Show provide an important opportunity for companies and public and private organizations to reach thousands of exhibitors, participants, officials and decision-makers in the sectors of energy, water, renewable energy, environment and sustainability to make deals and build partnerships.

We look forward to your participation in the exhibition, and invite you to circulate the invitation to your employees and the list of local and international companies registered with you to attend the exhibition.
